We are seeking a Clinician with:

- Training and demonstrated experience with a thorough understanding of mental health crisis & risk assessment.
- Training, experience, and an interest in working specifically with children and youth with Autism.
- Training and experience with evidence-based treatment approaches including DBT, CBT, Narrative Therapy, Solution Focused Therapy, DDP, and trauma informed approaches, e.g., ARC framework.
- Demonstration of a strong understanding of the Mental Health Act and PHIPPA.
- Demonstrated abilities with respect to sound judgment, critical thinking skills, risk assessment and response, and provision of clinical support.
- Dedication to a collaborative approach in working with clients, colleagues, and community professionals with a variety of therapy models.
- Significantly strong engagement, assessment, and intervention skills with a commitment to working from a strengths-based perspective.
- Computer proficiency, with experience in Caseworks being an asset.
- Availability to work flexible hours.
- Training and experience in Dialectical Behavioural Therapy.

Qualifications

- An educational background of an MSW/MA/MEd (Counseling) with five years of relevant clinical experience in child and youth mental health.
- Registration in good standing with a relevant professional college.
- Computer proficiency, with experience in Caseworks being an asset.
- Availability to work flexible hours.
