Laugh It Off and Bring It On: Jessica Holmes

Jessica Holmes is a favourite on Royal Canadian Air Farce and has brought the house down opening for giants such as Ellen DeGeneres, Russell Peters, Jerry Seinfeld, and Oprah Winfrey. Her hilarious take on life's challenges as well as her unique knack for skewering celebrities have audiences in stitches.

A few years ago, inspired by her own recovery from depression, Jessica trained as a wellness coach and re-committed her life to discovering what creates lasting balance and fulfilment. In this funny and inspiring presentation, Jessica shares hilarious and meaningful personal anecdotes about career, family, stress and mental health to help others reignite their spark.

Tickets \$85 after March 1, \$95

Dufferin Children's Fund

Dufferin Child and Family Services is a multi-service agency providing child and youth mental health, child protection and developmental support services to residents of Dufferin County.

DCAFS receives government funding for its core services, but there are always additional needs that arise and extra support that is essential to assist those we work with.

Dufferin Children's Fund raises money for these additional supports to improve the lives of children, youth and families receiving service from Dufferin Child and Family Services.

Dufferin Children's Fund has three priorities:

Youth Futures: to support our youth in their educational pursuits and life goals through post-secondary education, trade apprenticeship programs or job training and employment needs such as tools or equipment. These funds help youth to make a successful transition to adulthood and reach their full potential to be anything they set out to be.

Social Growth and Development: to enable children and youth to participate in recreational, creative, social, skill development or educational activities and lessons that would not otherwise be possible for them and that contribute to their development.

Health and Wellness: to support our children and families in ways that enhance their health and wellness. This could include purchasing necessary medical equipment or supplies, paying for special nutritional requirements, needed assessments or clinical support. Funds might help parents by providing respite to give families needed breaks from caregiving.

Through fundraising efforts the Dufferin Children's Fund has raised over \$150,000 in the past eight years. With your support, Dufferin Children's Fund can make a positive difference in the lives of children, youth and families in Dufferin, helping them achieve their full potential and benefiting our entire community.

Helping Build Better Tomorrows

Jayden has completed two years at Georgian College and is now enrolled in a two year program with Humber College to further enhance her career options. Jayden works part time, lives on her own and the Dufferin Children's Fund has supported her throughout her post secondary journey.

Ethan, is a six year old boy, who in the past witnessed domestic violence. He is a very sensitive boy who also has sensory issues. Ethan has been participating in Art Therapy to improve his mental health and wellbeing.

Art Therapy has enhanced Ethan's skills by providing a creative outlet for his social development and helping him to express his emotions. He has learned how to calm himself before he becomes overwhelmed. The Dufferin Children's Fund has been able to assist the family in covering the cost for art therapy sessions which benefits Ethan as well as his family.

The Dufferin Children's Fund sends 70-80 children to camp each summer. Camp is an experience of a lifetime for these children, as well as an opportunity for families to have relief which can assist in families staying together.

Terell is a 5 year old boy who has severe Autism Spectrum Disorder. The family had tried a multitude of sensory strategies to assist him to calm down; music is the only one that he has had a positive result with. The Dufferin Children's Fund was able to cover the cost of Music Therapy which benefits the whole family.

Dufferin Children's Fund - Snapshot of Support Distributed in Dufferin 2010-2018

2010	Total of \$9,500 Granted to 21 Recipients
